

COMP-QUEST

A FOOD WASTE SUSTAINABILITY ADVENTURE

Welcome to 'CompQuest: A Food Waste Sustainability Adventure,' where you embark on a dynamic exploration of campus sustainability through the lens of composting and waste management. This interactive journey invites you to make choices at every turn, each paired with insightful statistics and facts about composting and food waste on our campus. As you navigate through the game, you'll unravel the intricacies of our university's sustainability practices and discover the impact of individual choices on the environment. Your decisions will shape the path you take, leading to one of three distinct outcomes that reflect your 'Sustainability Score.' Are you ready to play your part in creating a greener, more sustainable future? Let the adventure begin!
